

Executive Plan

Activity Subjects Plan - First Semester

Alignment Curriculum With School Calendar and Events External | Year Academic That Starts In 2026 and Ends In 2027

Item	Details
School	Al Bahya Common School
Scope of Application	Physical Education, Visual Arts, Music, and Drama Education
Target Group	Students in Cycles 1, 2, and 3, according to the grades specified in each subject's scope and sequence.
Implementation Period	31 August-11 December 2026, followed by administrative close-out and planning for the next semester from 14-18 December.
Lead About Follow-up	Activity Subjects Coordinator Collaboration With Subject Teachers and Leadership School

Semester priority: Turn curriculum learning into high-quality participation within and beyond the school. Each subject should identify approved opportunities in Abu Dhabi, prepare students, and document participation, results, and impact in the portfolio.

Overall Goal

Deliver the Activity Subjects curriculum consistently and to a high standard, develop talent and practical skills, and strengthen Al Bahya Common School's presence in external events and competitions without disrupting assessment or examination periods.

Target Outcomes

- Implement Sequence Units and Topic For Each Grade According to File Approved.
- Identify at least three suitable external opportunities for each subject before the diagnostic phase ends, and participate in at least one when an approved and suitable opportunity is available.

-
- creating Rule Details For Students Gifted Students and Nominees Participations External, With Document Level Start and Progress.
 - Activate the role of Activity Subjects teachers in morning assemblies, occasions, committees, the school environment, and national identity initiatives.
 - Document 100% From Participations and Plans and Forms Approvals and Results and Feedback.
