## Rating Guide

| 2   Achieved                                 | 1   Partially Achieved                      | 0   Not Achieved                             | ★   Mandatory Criterion                          |
|----------------------------------------------|---------------------------------------------|----------------------------------------------|--------------------------------------------------|
| Clear evidence; the requirement is fully met | Requires completion or a specific condition | No evidence or the requirement is unsuitable | If unmet, approval stops regardless of the score |

## Suitability Evaluation Matrix

| No.          | Evaluation Area                         | Suitability Criterion                                                                                                                                   | Score                      | Evidence/Notes |
|--------------|-----------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------|----------------|
| 1            | <b>Alignment with Learning</b>          | The opportunity is aligned with subject skills and clear, observable learning outcomes.                                                                 | 0 1 2                      |                |
| 2            | <b>Educational Value</b>                | The opportunity develops talent, creativity, confidence, teamwork, or the quality of performance/production.                                            | 0 1 2                      |                |
| 3            | <b>Student Suitability</b>              | It is appropriate for the students' age, performance level, and eligibility requirements and supports fair student selection.                           | 0 1 2                      |                |
| 4            | <b>★ Organizing Body and Conditions</b> | The organizing body is credible, and the announcement, participation or judging rules, and display rights are clear.                                    | 0 1 2                      |                |
| 5            | <b>Timing and Readiness</b>             | Sufficient time is available for training/rehearsals without materially affecting learning or assessments.                                              | 0 1 2                      |                |
| 6            | <b>★ Safety and Health</b>              | Risk assessment, health and safety, supervision, and emergency requirements can be completed.                                                           | 0 1 2                      |                |
| 7            | <b>Resources and Logistics</b>          | Costs, transport, venue, equipment, resources, and costumes can be provided.                                                                            | 0 1 2                      |                |
| 8            | <b>★ Approvals and Accessibility</b>    | The required school leadership, parent/guardian, photography, privacy, and accessibility approvals can be completed.                                    | 0 1 2                      |                |
| 9            | <b>Impact and Documentation</b>         | The impact of participation can be measured, and evidence, results, feedback, and next steps can be documented.                                         | 0 1 2                      |                |
| <b>Total</b> | <b>Percentage</b>                       | <b>Initial Classification</b>                                                                                                                           | <b>Evaluator Name/Date</b> |                |
