Follow-up 1	After 2-3 Weeks	Verification From Response for education and Feedback.	Task Brief Or Observation	Continue Or Adjust strategy
Follow-up 2	Mid Period	Measurement Stability and Transfer Skill To Situation New.	Task Apply Or Product Interim	Enrichment Or Support center
Follow-up 3	Before close-out	Verification From independence and Reduce Support.	Performance Independent Or Review File	Readiness Measurement Final
Evaluation Final	End Unit/Semester	Comparison Fair With Baseline Indicator Itself.	Task close-out and Sample Before/After	Closure Goal Or Plan Follow-up New

Reading Progress Achieved

Improvement large	Improvement	Consistency	Review
+2 Or +3 Improvement large	+1 Improvement Visible	0 Level Consistent; Review Type Support	Value negative Review Needs Analyze Reason and Plan Brief
Evidence-quality requirements: Evidence must be linked to the indicator, current, specific to the student's own performance, and comparable. A score must not be based on general impressions alone. If the student is absent or evidence is unavailable, record (A/N) rather than an estimated score.
